

**NOTE:** This map shows the indicative location and extent of the intended harvest operation. Final boundaries and operational specifications will be determined following detailed field surveys and community consultation, and will be documented in a Forest Practices Plan. The plan will be prepared prior to the commencement of the operation, will be available for inspection at the local Forestry Tasmania office in the appropriate district.

	Primary all weather 2+ lane arterial road		Vehicular access track		Forest Reserve
	Significant all weather 2 lane feeder road		Rivers (Class 1 and 2)		National Park, Historic Site & Nature/State Reserve
