

NOTE: This map shows the indicative location and extent of the intended harvest operation. Final boundaries and operational specifications will be determined following detailed field surveys and community consultation, and will be documented in a Forest Practices Plan. The plan will be prepared prior to the commencement of the operation, will be available for inspection at the local Forestry Tasmania office in the appropriate district.

- | | |
|---|--|
| Forest Reserve | Significant all weather 2 lane feeder road |
| State Forest | Single lane all weather minor road |
| Informal Reserves - State Forest | Rivers (Class 1 and 2) |
| Primary all weather 2+ lane arterial road | Indicative Coupe Area - 3YP |

NOTE: Map co-ordinates are based on GDA94. Topographic map data is supplied by DPIWE. Boundaries may not co-incide due to different capture scales.
