

NOTE: This map shows the indicative location and extent of the intended harvest operation. Final boundaries and operational specifications will be determined following detailed field surveys and community consultation, and will be documented in a Forest Practices Plan. The plan will be prepared prior to the commencement of the operation, will be available for inspection at the local Forestry Tasmania office in the appropriate district.

Forest Reserve	Significant all weather 2 lane feeder road	LOCATION MAP
National Park, Historic Site & Nature/State Reserve	Single lane all weather minor road	
State Forest	Rivers (Class 1 and 2)	
Informal Reserves - State Forest	Indicative Coupe Area - 3YP	

NOTE: Map co-ordinates are based on GDA94. Topographic map data is supplied by DPIWE. Boundaries may not coincide due to different capture scales.
